

**New Hampshire Job Notes 2002** is a publication of **New Hampshire's Career Resource Network (NHCNRN)** within the NH Department of Employment Security's Economic and Labor Market Information Bureau.

The primary goal of the NHCNRN is to provide career development activities to equip youth and adults with the knowledge and ability to achieve successful careers, including both work for economic gain and that done for family, home, or community. This will be achieved through specific activities aimed at diverse groups such as teachers, students, counselors, administrators, dislocated workers, and others.

The NHCNRN coordinates information to meet the needs of employment, training, and vocational education programs. It also provides career and occupational information to meet the needs of individuals making career decisions, especially youth.

In addition to *New Hampshire Job Notes 2002*, NHCNRN offers other products and services to meet the needs of career decision-makers and program planners. Contact NHCNRN for additional information.
